

# Fun Kids are taking you on a trip through time back to 1914!

Fun Kids is the UK's children's radio station!

Take part in a workshop where you'll get hands on experience with artefacts and objects from the First World War!

You'll also get the chance to take part in a series of games and activities to understand the difference between family life today and 100 years ago!

You'll also write a diary entry that someone might find in 100 years time. What important things would you tell them about?

Plus, we'll tell you all about **The Great War - Through a London Child's Eye**, Fun Kids' brand new series all about life as a child in 1914 London.
