

# Easter Holiday Activities: Sharing is Caring

## How does sharing make the world better?

Families share their time, love and happiness through special celebrations and daily rituals. Introduce young children to sharing with toys and games in Nursery Rhyme Time and Geffrye Explorers; or explore the different ways to share with older kids in our Craft Makers, Digital Workshops and Hands on Tours. Join in the conversation at #SharingFamilies

**Tuesday 9 April – Friday 12 April, 10am - 4.30pm**

The museum, displays and café have now closed for re-development but our front gardens are open for the holidays. Family activities will take place outside in the front garden under a tent unless otherwise stated but please come prepared for the weather. A range of drinks and light snacks will be available to buy.

Holiday activities are for children aged 2-16 and are free for individuals and their families. Places for booked workshops are allocated at the museum on a first-come, first-served basis 30 minutes prior to the beginning of each activity. All children under 11 must be accompanied by an adult at all times. All activities are accessible for families with additional needs.
